

TRIP COMMITMENT FORM

This year's choir and orchestra trip is to Corpus Christi, March 25-27. The choirs and orchestras will perform while on the trip. The trip is NOT during spring break; therefore, one school day will be missed.

The spring trip is optional for all Orchestra and Choir members.

All choir & orchestra students who attend will perform.

The estimated trip cost is \$600. This includes all transportation, hotel, event fees, and most meals. We are taking coach buses for this trip and need to know how many to reserve. We must know the number of seats we need, and dropouts will carry a stiff financial penalty.

This form is a commitment to going on the trip. Please refer to the following payment schedule as to which parts of the trip are refundable should your student need to drop out of the trip.

December 15 – Deposit - \$160 (Nonrefundable)

January 15 – Payment - \$200

February 15 – Balance due
