

Choir Newsletter

Letter from Secretary:

Hello everyone!! I hope you've all had a good first week back in person at school:) I know it's been a while since we've been able to see people on a day-to-day basis, but I am ready to get back to normalcy, and especially here in choir we are more than happy to be able to see and hear one another sing again! We have some important beginning of the year events coming up so make sure to look out for those! You can also find this newsletter on bellairechoir.org.

-Ashley M.
